

Garlic Growers Association of Ontario

Fall Meeting Saturday Dec 11-2010

Season wrap up get together

Woodstock OMAF office on highway 59, just north of Woodstock.

Coffee will be on at 9 am and meeting starting at 9:30.

2010 saw even better prices than 2009 which were the best prices EVER for local garlic. It was a great year to sell garlic.

At the Garlic Festivals, markets, farm gates: consumers, grocery chains, other countries, and even Omafra are asking for more local garlic and growers.

The Association is in the initial phase of a 4 year grant to do research on Bulb & Stem Nematode problem, storage, clean seed with bulbuils along with the clean seed meristem culture.

Discussions on:

A) Becky Hughes and John Zandstra updating garlic projects research, and give all those present some input on what we research.

B) Garlic Festivals past and future.

C) Discuss Interest by Loblaws & Sobeys in selling MORE Ontario Garlic

E) Growers forum & Questions
